Handwritten text in five lines, likely a list or a series of entries, written in a cursive style.

Handwritten text in three lines, possibly a title or a main heading, written in a bold, stylized cursive style.

cv

mjm

Handwritten Chinese characters in cursive script (caoshu), arranged in four horizontal lines. The characters are highly stylized and expressive, typical of traditional Chinese calligraphy.

dbc

Handwritten text in a cursive script, possibly a form of shorthand or a specific dialect. The text is arranged in approximately 12 lines, starting with a large initial 'S' and ending with a small mark resembling 'il'.

"REGISTRO/REPRODUÇÃO GRÁFICA APROXIMADA DE IDÉIA/POEMA IMAGINADO/CONCEBIDO EM 20 DE SETEMBRO DE 1998 ÀS 14 HORAS E 23 MINUTOS" === OAVELINO DE ARAUJO 1998

Мы с женой хотели бы поехать в Австралию, но при наших нынешних доходах — это маловероятно. Было бы интересно узнать о твоей работе, увлечениях.

Надеюсь ты разобрался в моём письме.

С наилучшими пожеланиями

Гарри и Мелли.

P.S. Мы с женой по-прежнему хотим бы найти какую-либо работу в Австралии (не обязательно дизайнером). По контракту или на каких-либо других условиях. Будем рады любой информации.

Two large, bold, black calligraphic characters, likely '世' (world) and '道' (way), written in a thick, expressive style with visible brush strokes and ink splatters.

A dense, intricate calligraphic composition featuring a large, central character, possibly '世' (world), surrounded by smaller, more delicate characters and extensive, flowing brushwork. The style is highly expressive and dynamic, with many overlapping lines and ink splatters.

Dear Tim!

Не знаю, поймёшь ли тот это письмо "по-русски", но тем не менее я пишу.

Извини за задержку с ответом: то "день города", то проблемы на работе. Остановиться и спокойно написать письмо почти невозможно.

Вчера с женой ездили на наше Обское море. Купались. Загарами. Это конечно не океан, но тоже неплохо. Приезжай, увидишь.

Этим летом (в конце июля — в начале августа) планируем поехать в Санкт-Петербург (там у меня — родственники). На обратном пути завернём в Омск. У неё там живут её сестрицы по архитектурно-строительному институту. Омск — гораздо старше Новосибирска. Очень много построек ещё "до-революционной" эпохи. В Новосибирске таких мест — гораздо меньше.

Тим! Если тебе что-то интересно — или из истории, или про наш город или про нашу жизнь — спрашивай. Я с удовольствием отвечу. Если есть желание — приезжай в гости! Особого комфорта мы не гарантируем, но влетающий наберёшься на всю жизнь.
